Dear Rev.Fr. Salenteen and Jenita’s Family-Germany
Greetings in the Lord !

I am writing this letter first of to express my sincere thanks for all the help given financially to put up the Building for the working place to keep the things that safely and do have work peacefully. We are helping the Women-headed families to earn some income to run their families to meet their financial needs through the production of various foodstuff for sale. We have received your money Rs. 5,82,000.00. I take this opportunity to extend my sincere thanks for all the financial assistance rendered the women affected by the war. You generous financial support has gone a long way to help the women-headed families to sustain carry on their lives. We have commenced in constructing working place of building and attachment of some photos to you .I hope you will see and be very happy. We have to plan to complete the work and to finished within 45days and open and to do the work in the building.

Because day to day that contraction work materials are increasing very fast even today cost not to same tomorrow cost and also the laborers are demanding for their increasing Coolie. I am facing very stress and big challenging regarding this problem. I will be very grateful if you could help us with balance finances needed to complete the work, we have commenced in constructing the working place . I look forward to an early and favorable reply from your esteemed self. The women headed family members are very grateful for all the help and concern extended to them to an income to cater to the needs of the families.

Once again with renewed thanks for all your generous care and concern for these Women-headed families and the children.

God bless you and your family members.
