Dear Rev.Fr. Salenteen and Jenita’s Family

Greetings in the Lord!

I am writing this letter express my sincere and heartfelt thanks for all the financial assistance rendered to the women affected by war. Your generous financial support have gone a long way to help the women-headed families and the children to sustain and to carry on their lives.

I will very grateful if you could help us with the finances needed to complete the constructing working place in safely. We need **Rs 400,000/-** . I am looking forward to an early and favorable reply from your generous support to us. If I ask some other sponsors or friends to assist us in complete this building, that I am thinking about **write that your name of memorial**. Because you have been contributing big amount. So that I am unable to write others name. If I have missed these constrictions workers , its very difficult to arrange again theme.

The women headed family members are very grateful for all the help and concern extended to them to an income to cater to the needs of the families.

I am looking forward to your positive reply to our urgent request and they ladies involved in this project are anxiously looking forward to your positive and early reply

I am herewith attaching the details of the construction of this working place cost to complete the building and therefore ,we plan to inaugurate the building very soon in 2019 with God’s Blessings. Already I have mention regarding that.
